

Greenbelt meeting 05 June 2014 19:00 Greenbelt Pavilion

Present: Katie, Vince, Bob, Betty, Madeline, Steve

Steve, Katie, and Vince have submitted their vouchers for the road clean-up. Matt Perry has submitted his signed voucher to Katie for the bird walk. Katie needs to send it to Betsy before June 9th.

Bird Walk:

- Katie needs to send reminder email
- Vannicolas, Wendy, and maybe Bob will be present at the event
- Madeline will drop off lemonade, cups, and napkins prior to event
- Katie, Wendy, and Matt Perry need to plan out route.

Flowerbeds:

- We planned how we would like to manage them.
- We need to request that the town send some summer help to be directed on how to proceed with the flowerbeds.
- See attached drawing

Trails:

- We need to walk the red trail
- Make sure Jim Davis has the red trail map that Vince sent

Maintenance:

- There are 2 downed trees on the blue trail near Marty's house
- Madeline will submit maintenance request to the town to take care of the trees.
- Also the stump from the tree that fell in front of the pavilion last summer is still there. That should be removed to avoid a tripping hazard.
- The battery for the solar panels at the pavilion needs to be reinstalled. It is in the shed. Can the town send someone over to reinstall it?

Programs:

- Maybe a late summer or early fall night hike? Contact Linda Gibbs about possibly leading it
- Maybe "Handling Back Country Emergencies"? Contact Mike Quinn

Next Meeting: August 14, 2014 at 7:00 PM at the Greenbelt Pavilion
